The Daylight Store

Just Back From Market.

We did not go any too quick. Buying later will be discouraging work. Stocks will be short and prices long. We now ask you to see how well we did in our selections and how low we have priced them. The following are the latest kinds.

NEW LACES.

This is to be a great Lace season; all are expecting it. Allover Laces will be at their best, being worn for waists, whole costumes and trimmings on all kinds of dresses.

Fillet Laces and Allovers are the latest, and while quite expensive are not more than any of the less popular kinds.

German Laces are coming more and more to be worn and as their wearing qualities are the best, it helps to make them popular.

SILKS.

Prices on all kinds of Silks are going to be higher. We are today paying fifteen cents per dozen more for Spool Silks than last season. We are not charging you any more. So it is with Dress Silks. We are not at present going to charge you any more.

New Dress Silks will be here by the first of the week and in a larger—yes, much larger—assortment than we have ever shown.

Black Silks. Here we made a surprise purchase and will have three whole pieces to run at a price for a few days.

NOVELTIES.

These are new things in novelties that we are getting ready to show.

New Neckwear in Collars of Lace and Linen Embroidered.

New Ribbons in Persian Patterns. Not the same old style, something new.

Belts and Belt Buckles. These were selected from one of New York's best assortments. See how you like them.

Lots of our smaller novelties are being shown in our special showcase at the door as you enter our store.

Have you ever seen a White Radium Silk? It's German. We have it.

At the City Bakery!

On oath and honor we hereby most positively declare that our Double Loaf Malt Bread, made of Pillsbury's flour and by Union bakers, is the best in the State. If you doubt our word try just one loaf and you will be convinced of its superiority to any other. You will notice also that it is white and light and yet firm.

Why is it that Mother's Bread was always good? Because it was made by hand and kneaded, and that is why ours is good. It is properly kneaded. Try one loaf, if no more. All leading grocers and butchers handle it, as follows: Merchant & Fraser, H. J. Smith, Dix & Coleman, Smith & Cumings, Tassie Brothers, John Griffin, J. D. Yandow, Aldrich, Graniteville, and Hopkins, Williamstown. Also leading restaurants and lunch rooms: Spear Brothers, Jack's Lunch Room, Miller's Baltimore Lunch Room and Graniteville Lunch Room.
